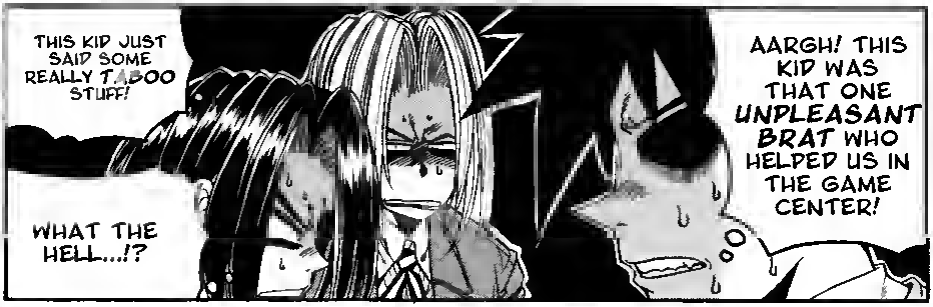
SILENCE



THIS KID JUST SAID SOME REALLY TABOO STUFF!
WHAT THE HELL...!?
AARGH! THIS KID WAS THAT ONE UNPLEASANT BRAT WHO HELPED US IN THE GAME CENTER!

JUDGING FROM OUR PREVIOUS ENCOUNTER, I THINK THIS BRAT IS GOING TO BE TROUBLESOME.
PERHAPS IT IS BEST TO JUST IGNORE HIM.
WHISPER

NAH, I THINK THOSE TWO ARE WAY OVERRATED.

INNOCENT
CLOUD IS JUST LIKE SEPHIROTH'S LITTLE PET.
THOSE TWO ARE SO YAOI, GAY AS HELL.
NO WONDER GIRLS ARE SO CRAZY ABOUT THEM.
PERHAPS IT S TRUE THAT BACK IN '97 IT WAS ONE THE BEST ROLE PLAYING GAMES
BUT IF YOU COMPARE IT TO OTHER FF GAME THAT HAVE BEEN RELEASED UNTIL NOW. WHAT WILL YOU GET?

RYOTARO SUGI?
YES, IT ALL CAME BACK TO MY HEAD NOW!
YOU GUYS ARE STILL OKAY, I GUESS. BUT KIDS THESE DAYS, THEY MAKE FUN OF FAMICOM OR SUPER FAMICOM GAMES BECAUSE OF THEIR OLD GRAPHIC
THEY ARE NO-GOOD AT ALL
AN UNFORGETTABLE GAME IS ALWAYS BETTER THAN A STATE-OF-THE-ART GAME
HOWEVER, I CAN FEEL THAT OUR HEARTS ARE SIMILAR ON THAT MATTER..
THIS KID, DOES HE REMIND YOU OF SOMEONE?
UH . YEAH I WAS JUST THINKING ABOUT THAT A WHILE AGO
HEYZ GUYS, I'M BACK!

Susume Seigaku Denou Kenkyuubu ch.14

Saphire here! Guess what, it's Hirano's birthday this month! So let me present you with another chapter of Susume! This is a big chapter with an introduction to a new character (oh, even more exciting characters will come later on, just wait!).

There are several things I'd like to explain in this chapter: **Square** *is of course, Square Enix, before they merged with another company, Enix, and changed their name accordingly.*

Tactics Ogre *was released in '95 by another company, Quest. It was a success and Square kind of copied improved upon it and released* **Final Fantasy Tactics** *in '97, which achieved even more success than the original title.*

Ryotaro Sugi *is known as the guy who made Japan cry. He was an actor in a popular TV drama with sad ending.*

There was also a very clever word play that I was unable to convey properly into english, it's between the word Kioku (memorable) and Kiroku (fancy way of saying latest). I opted for literal translation so you know the meaning without all the fanciness.

I guess that is all for this chapter, enjoy and see you again!
